To the Chair and Board of Directors of the Strathcona Regional District:

To be placed on the Board agenda under "Correspondence" at the next meeting.

Directors,

As a longtime resident of Sayward, I would like to lodge my protest against your plans to have the residents of the Valley and Village of Sayward included in the payments for upgrades, expansion, and maintenance of Strathcona Gardens in Campbell River.

We in Sayward Valley trust, and are committed to supporting, Gerald Whalley, our Director. Gerald speaks for us. It is clear that many of you are willing to force your own responsibilities onto others who have no responsibility. Shame on you.

Please vote against the motion, dismiss the motion, that Electoral Areas A, B, and C, and the Village of Sayward participate in the Strathcona Gardens recreation service.

Sincerely,
Constance Weber
