Dear Chair Baker and Council,

Thank you for providing a final report and financial summary for the above noted project. We have reviewed your submission and all reporting requirements have been met.

The final report notes a total eligible expenditure of \$148,339.16. Based on this, a payment in the amount of \$73,339.16 will follow by electronic funds transfer . This amount represents full payment of the grant and is based on 100% of the total reported expenditure less the initial payment of \$75,000.00 on December 21, 2020.

I would like to congratulate the Strathcona Regional District for undertaking this project and responding to the opportunity to increase the resiliency of BC communities.
