Subject: strathcona gardens improvements

NOTICE: This email is from an external source.

Good day to you.

I would like to register my strong objection to paying any tax for Campbell River Strathcona Gardens improvements.

As a Quadra Island resident, I would not use this facility.

Being taxed for the hospital and secondary school is understandable, as these are necessities; a recreation centre is not.

As a low income senior, I am stretched now by the rapidly increasing prices of basic necessities.

And I greatly resent being treated as a sheep to be shorn; the fleece is gone, there is nothing left.

So NO, I WILL NOT PAY for Campbell River to upgrade THEIR recreation facility.

And I greatly resent being bullied by the mayor and CAO of Campbell River into being taxed for this facility, and I WILL stand up against it.

Sincerely,
Christine Sampson
