I would respectfully like to express my opinion on the possible Strathcona Gardens assessment of in excess of \$400 per year per household in all electoral areas, including area C towards needed renovations.

I am a resident of area C. I do not support this assessment. In 32 years of living in the outer islands, i've never been to Strathcona Gardens, nor do I expect to, no matter how qualitative the renovations are.

I understand the concept of being a regional district and the need to support projects in other areas. As a result, I would support Campbell River residents and area with a nominal assessment, perhaps in the range of \$25 to \$40 per year.

Thank you for your consideration. I am looking forward to a future Wharf Service.

Sincerely,
Ginny (Virginia) Vassal
