Dear Chair and Board Directors,

I am writing this letter to express my concern over the proposed Strathcona Gardens tax levy for area C residents.

My husband I are both retired and share a recreation property with our daughter (&family). This property has no services, completely off grid, is boat access only. This property is near Green Point Rapids and is in area C.

We both also have our primary residences in area D. So both families will be paying already for the tax levy.

I am writing you to let you know that we completely opposed to the Strathcon Gardens Levy for area C residents. It makes no sense that we are charged twice. Also when at the cabin due to its remote location we do not benefit from any services. We do like that it is remote and our taxes should reflect this.

If you wish to speak with me please call me at +1 (778) 348-4590 or email me at lorimaemckeown@gmail.com.

Thank you for your time.
