To the Chair and Board:

Please accept this email as our disapproval for the Strathcona Gardens Tax Levy. We are property owners located in Area C, Greene Point Rapids BC and find the proposed plan to be ludicrous and strongly disagree.

As property owners here we choose to live in this area for the lower tax burdens, we live in an area that doesn't have telephone, hydro, schools, roads, fire protection, or any access to Strathcona Gardens. Any property tax increase for this area is absurd.

Please consider our disapproval of this plan upon your deliberation.

Respectively  
R. Scott and Shelly Arrowsmith
