**Subject:** Correction to the SRD Board minutes for August 16, 2023

**NOTICE:** This email is from an external source.

To the Corporate Officer, Board Chair, and Directors, of the Strathcona Regional District.

Regarding a correction to the minutes of the August 16, 2023 meeting.

There is an incomplete entry in the written minutes for the Mawhinney/Whalley: SRD 718/23 motion. The Audio/Visual record of the motion indicates a directive that staff prepare a report and the issue be referred back to the Electoral Area Services Committee.

Please verify and correct the written minutes to accurately reflect the motion as presented, seconded, and passed by the Board.

For transparency, time efficiency, and to encourage participation in local government by the public, it would be simple and very useful to have a time stamp from the recorded meetings on each of the headings in the written minutes. Perhaps this could be explored at the appropriate time in the agenda for the September 20, meeting.

Respectfully,  
Gerald Ammundsen
