Dear Stakeholders and First Nations,

On behalf of the Campbell River & North Island Labour Market Partnerships Project, I would like to invite you to this event to hear about what we have discovered and are recommending as actions to address pressing labour market issues in our region.

If you are interested in hearing about and contributing to potential solutions to our current talent challenges in the Regional District of Mount Waddington, please join on the morning of Tuesday, October 17th at the Port Hardy Civic Centre.

Please RSVP to me at kjothen@humancapitalstrategies.ca by Friday, September 22nd. Upon your RSVP, you will receive an agenda and background materials via email.

Also, please see attached social media posts you can use within your networks and channels to get the word out. We would like your help to maximize inclusion.
