Groundwater Extraction

Strathcona RD

Whereas water is an essential resource upon which all life, including all ecosystems and all local communities depend;

And whereas water is a public heritage and a public trust for present and future generations and access to water must not be compromised by commercial operations relating to commercial water bottling or commercial bulk water exports:

Therefore be it resolved that the Premier of British Columbia and the Minister of Forests, Lands and Natural Resources Operations and Rural Development be requested to immediately cease the licensing and extraction of groundwater for commercial water bottling and/or bulk water exports from aquifers.

Convention Decision:
