Good Afternoon Aniko and Dave:

We are looking forward to our upcoming April 29th meeting with you to confirm the public consultation requirements for our proposed communication sites within the SRD's jurisdiction.

In the interim, I am writing to send your team a courtesy notification to let you know that we are planning a communication site at Drew Harbour I.R. No. 9 on lands owned by the We Wai Kai Nation. Our public notice will be posted in the First Nation's newsletter and, as a courtesy, *The Birds Eye* publication per ISED's direction for two issues on April 21 and April 28, 2021. A copy of the draft notice is attached for your reference as it contains all the relevant details. The public comment deadline will be greater than 30 days after the second notice or on June 4, 2021. As you know, the land use authority in this instance is the First Nation however we wanted to send your team a copy of the upcoming newspaper notice as a courtesy to keep the SRD aware of TELUS' plans in the area. We have full support of the We Wai Kai Nation Chief and Council and wanted to ensure that your team is in receipt of this notification as a courtesy.

Best Regards,
