

From Chair Robinson

With respect to Item G2 on the April 4, 2024 meeting agenda for the Electoral Area C Advisory Planning Commission:

I think the following wording would help to focus the discussion, while still leaving open the possibility of members introducing other ideas:

**Procedures for considering applications**

- **Documents required by APC members (do we now have everything we need?)**
- **Time limits for presentations (the SRD Board commonly limits delegations to 10 minutes)**
- **Allowing opponents as well as proponents of applications to make presentations (this would be to ensure that Commissioners were fully informed, not to assess the degree of community support or opposition to an application)**
- **Procedure for reporting Commission recommendations**
- **Other?**
