## District of Kitimat, Haisla Nation win Economic Reconciliation Award

*District of Kitimat*

**KITIMAT** - The District of Kitimat is proud to say that together with Haisla Nation it has won the BC Economic Development Association's Economic Reconciliation Award (for a community less than 20,000). This award acknowledges the work done together through the CEDI partnership.

The CEDI program, launched in March 2022, is a facilitated, collaborative process to address economic development challenges through a respectful, equitable partnership.

To read more about this program on their website, visit: [District of Kitimat, Haisla Nation Council mark nearly two years in CEDI program - District of Kitimat](#)

The District really appreciates the recognition from British Columbia Economic Development Association for this work.
