

CAMPBELL RIVER STORM JUNIOR HOCKEY CLUB

Strathcona Gardens Commission
January 13, 2021 Commission Meeting

This letter is to request the Strathcona Gardens Commission review and adjust the current schedule regarding ice removal at the Rod Brind'Amour Arena. As many all over the province and world have been affected, we too have had our challenges. With the lockdown measures that took place in from November through February, the VIJHL has had to get creative regarding our current season and its completion when the PHO allows us to do so.

The VIJHL is currently planning to extend our season by one month to fit in a regular season schedule prior to the beginning of playoffs. This would see us end the season in early May as opposed to early April. We are requesting that the Commission review and adjust the current ice removal date at Rod Brind'Amour arena allowing our program to participate in the extended VIJHL schedule at our Home facility with practices and games.

If you have any questions regarding our request please do not hesitate to reach out to me with any questions via email (coachleestone@gmail.com) or phone (250-204-8326).

Thank you very much.

Sincerely,

Lee Stone
