

Re: Commission Membership/Meeting Attendance

Item/Issue: Appointed Community Representative ability to attend meetings.

Motion: Allow the Appointed Community Representative to attend SG Commission meeting via Phone or Video Link, when unable to attend due to out of town work commitments.

Purpose: Elected Officials who are appointed to the SG Commission are supported by an alternate, as the only appointed Community Representative on the SG Commission, there is no alternate to attend meetings in their absence.

Thank You

Commissioner Grunerud
